

NeatWorx.COM™

Increase the efficiency and profitability of your small business while you generate more revenue!

Is your Business:

- ▶ Missing Revenue opportunities due to the lack of an **effective** web presence?
- ▶ Looking for a way to provide your customers with **continuous, self service access to current information** on your company and its offerings, saving your employees from having to answer the same questions over and over?
- ▶ In need of an easy way for your customers to both order and **pay for your products and services** online?
- ▶ Desiring the ability to create and distribute **targeted monthly newsletters** and special promotions?
- ▶ Lacking an effective **customer feedback channel**?
- ▶ Searching for ways to turn your website into a **revenue generator** rather than an expense?
- ▶ Unhappy with the functionality of your current website and your staff's ability to easily manage it or its content?
- ▶ Spending too much for your current website solution without realizing an appropriate **return on your investment**?

If you answered "yes" to any of these questions, check out NeatWorx.COM!

NeatWorx.COM is a new, hosted, website solution designed for small business and associations that enables administrators to easily update content without the need for outside web specialists or specially skilled employees. If you know how to use a Word Processor, you know how to update content with NeatWorx.COM!

With our client management feature, keeping in touch with your customers through email and newsletters is a snap – NeatWorx.COM provides built-in newsletter and blogging capabilities, everything that a small business or association needs to keep its customers informed. Additionally, NeatWorx.COM enables you to solicit customer feedback through surveys and questionnaires so that you can adjust your offerings to maximize customer satisfaction and recurring revenue.

NeatWorx.COM provides:

- ▶ Marketing features such as the events calendar, documents and photo galleries to help you differentiate your business from that of your competitors
- ▶ A framework to generate advertising revenue from your suppliers and to track the success of your advertising programs
- ▶ The ability to take your website to the next generation by allowing you to continuously present your most current product and service offerings and to enable your clients to both order and pay for them online – an alternative to manually collecting and processing payments

"NeatWorx.COM is making it easier to manage our network of Canadian associates and provides self-serve capability to help automate ordering and inquiries."

- Doug Conner, President, VonSchrader Canada

"With NeatWorx.COM we are better able to coordinate registrations for our regular Professional Development Activities. We can update website content ourselves providing more timely access to information for our members."

- Janet Rivers, Administrator, Armed Forces Communications & Electronics Association, Ottawa Chapter

"The web solution provided by NeatWorx.COM has definitely helped Kidnasium generate more inquiries about our recreational programs."

- Bela Spick, Owner, Kidnasium Children's Recreation Center, Toronto, Ontario

The NeatWorx.COM service starts at \$99.95 per month with ongoing support. We'll even set up your initial website for you for a nominal fee!
